

QUALITY OF PROVISION IN THE EARLY YEARS

Are you a manager or leader in the Early Years sector?
This CPD is designed specifically for you.

It will provide valuable insights into achieving high-quality early years provision while also enhancing your understanding of the OFSTED inspection process.

You'll learn practical strategies to guide your staff through a calm and successful inspection, particularly focusing on supporting those who are new to this experience.

Additionally, this CPD will equip you with effective communication techniques to address the challenges facing our industry while maintaining a positive and motivating team environment.

Alex Beardmore, a seasoned leader in Early Years Education, brings a unique perspective as both the Manager of Serpentine Nursery and an OFSTED Inspector.

This dual role equips her with invaluable insights into the sector's challenges and best practices.

The session will include;

- Quality of Provision in the Early Years for Leaders and Managers
- How to better prepare for the inspection process
- Case study review
- Live Q&A
